Frequently Asked Questions:

I joined last year, do I need to join again? Yes, you need to join every year.

But I don't have time to volunteer! That is ok; we'd love to have your help with PTA events, but joining PTA does NOT mean that you have to volunteer!

So, why should I join PTA if I'm not going to volunteer? PTA is a very active group, not only here at Twitchell, but also at the state and national level. Becoming a PTA member gives both our state and national PTA's larger numbers, and therefore a larger voice when lobbying politicians in Carson City and Washington D.C. about issues such as education funding and budget cuts. Joining PTA means that your voice has joined a chorus of others speaking on behalf of your children.

Other Benefits for PTA Members:

- Exclusive National PTA member benefits and sponsor offers from companies such as Office Depot and Barnes & Noble, all available online at www.pta.org.
- Special offers for PTA members from local businesses, available online at www.nevadapta.org, or at participating businesses displaying the PTA Card.
