Attention

All Fathers and Father Figures of Twitchell Elementary School Students!!

WATCH D.O.G.S. Wants You!

Join us for FREE food, drinks and sports-related activities while learning about our Watch D.O.G.S. program.

On **Thursday, September 18th from 5:30 – 7:00 pm**, the Twitchell Watch D.O.G.S. program will be hosting our 2014 kick-off event in the multipurpose room with some fun 'sports-related' activities on the playground/field area coordinated by our P.E. Specialist and student-athletes from Coronado HS.

The Watch D.O.G.S. (Dads Of Great Students) program is an innovative, father involvement, educational initiative of the National Center for Fathering in partnership with the National and Nevada PTAs that involves fathers and father figures to enhance the educational environment in our schools. Members consist of fathers, grandfathers, step-fathers, uncles, and other father figures who volunteer to serve in a variety of school activities that inspire children, reduce bullying and provide an extra set of eyes and ears.

Please complete the bottom portion of this flyer and have your student return it to school by **Friday, September 12th**. Your RSVP is needed to ensure that we have an accurate head count for the food. Mark your calendars now for this great event on **Thursday, September 18th from 5:30 – 7:00 pm**.

We look forward to seeing you there!!!

*Please complete one form per family and return bottom portion to school by **Friday, September 12th***

___ Yes, we'll be there! (#) ___ of 'Dads' and students attending
